### 新規注文入力画面

The screenshot shows a mobile application interface for entering a new order. At the top, there is a navigation bar with a back arrow, the text 'メニュー', and three tabs: '新規通常', 'IFD', and 'IFDOCO'. A gear icon for settings is on the right. Below the navigation bar, the screen is divided into sections. The first section is titled '商品・限月・執行条件' and contains three rows: '商品 大阪金', '限月 25/0%', and '執行条件 指値'. A red rounded rectangle highlights a modal dialog box that appears over the '限月' row. The dialog box has a title 'パスワード認証' and the text '取引パスワード認証が必要です'. Below this text is an input field with the placeholder '取引パスワードを入力してください.'. At the bottom of the dialog are two buttons: 'キャンセル' (Cancel) and 'OK'. Below the dialog, the '注文属性' section shows 'FaS'. The second section is titled '値段・枚数' and contains a row with '11,150 1枚'. The third section is titled '期間' and contains a row with '24/5/15'. At the bottom of the screen, there are two buttons: a blue '売注文' (Sell Order) button on the left and a red '買注文' (Buy Order) button on the right. A hand icon is pointing at the '買注文' button.
